Elementary Administrators

From: Dufferin Elementary School

All interested schools are invited to attend the annual Dufferin Elementary Billy Goat Run. The run will be held **Friday, October 13, 2017** beginning at 1:00pm. Here is some important information regarding the event:

- Please note that the course will be very similar to previous years, including the end where we will finish by running along side Hillside Avenue. We may make some minor changes along the route, but these will be clearly marked.
- The course for grade 3 and 4 will be approximately 1.7km. The students will run up Copperhead Drive, down through the grasslands path, along Hillside Avenue, and to the school.
- The course for 5, 6, 7 starts at the West entrance to Mt. Dufferin Park, moving uphill and then East through the park. It then crosses to the grasslands path, and then along Hillside Avenue to the school. Approximate distance is 2.4km.
- Boys and girls will run in grade / gender groups (eg. Grade 3 girls, followed by grade 3 boys, etc).
- Please note that this is rocky, hilly terrain – ending in a down hill run over loose gravel (hence the Billy Goat designation). Please advise your students to be cautious and wear appropriate footwear.
- Each attending school will be asked to submit an entry fee of \$30.00. Please submit the fee prior to or on the day of the event.
- Ribbons will be awarded in each group for 1st to 30th place. All students will receive a participation ribbon.
- Please fax the total number of participants for each gender and each grade (eg. Grade 3: 6 girls/4 boys, etc) to 250-377-2262, or send it as an electronic attachment to ksewell@sd73.bc.ca. All entries must be in to Dufferin Elementary prior to **Tuesday, October 10, 2017**.
